

THE TEARDOWN

isolate · ideate · rank

Case the joint before you pull the job. Find every task, judge what AI can do, pick the one worth taking down.

CREW: _____

Lens: ☐ Deal / candidate journey ☐ Week / calendar

1 ISOLATE + IDEATE — dump every task, then tag it

List 10–20 tasks (AI can help). Win: T = time-back, B = big-score. AI? = can AI do it well today: H / M / L.

2 RANK — plot each task #, pick the target

Write each task's number in the right zone. Top-right wins.

OUR TARGET — carry this to the top of the Heist Plan

Task #____ : _____

Win: ☐ Time-back ☐ Big score
